Transport Planner - Trans International Sped

Bucharest | Administrative / Logistics | Transport / Logistics / Import - Export

Jun 2016 - present
2 years and 8 months

Transport Planner - Vectra International

Brasov | Administrative / Logistics | Transport / Logistics / Import - Export

Vectra International is a big transport company from Brasov, Romania. The main service that Vectra International provides is transportation via trucks and vans, but not only, automotive industry being the industry which we worked mostly with.

Jan 2015 - Mar 2016
1 year and 3 months

Customer Support Specialist - America Online

Brasov | Public relations | IT / Telecom

I was responsible in helping AOL's clients with various problems they had in using the company email system, and their computers. I had to identify the needs that the clients had and sell them services that would help them with fixing issues on their computers.

Jul 2012 - Oct 2013
1 year and 4 months

Customer Support Agent - Computer Generated Solutions

Brasov | Sales | IT / Telecom

My responsibilities were related on the billing branch. Based on the problems that our clients had i was responsible in finding and pitching a viable solution from the company's services.
